1. Dementia Champions engagement support and further development.
   - Continued provision of a programme of support and engagement with Dementia Champions.
   - Four development sessions are held annually and Dementia Champions are required to attend a minimum of one to remain on register.
   - Sessions organised for 2015 and dates circulated.

2. Dementia Champion Charter.
   - Developed a charter which clearly outlines how Dementia Champions will support people with dementia, their relatives and carers.
   - Charter agreed and signed off by the Dementia Champions.
   - Senior charge nurses have agreed to support the Dementia Champions to meet the charter.
   - Development session in March 2015 will include focus groups to establish how the Dementia Champions are meeting the actions from the charter.

3. Tommy on Tour.
   - Tommy Whitelaw visited the region in April 2014 for 3 days and delivered his presentation to over 300 people.
   - Feedback from Tommy on Tour evidenced an increase in the awareness of dementia and the impact on people living with dementia, their relatives and carers.
   - Pledges made during Tommy on Tour to be reviewed in 2015 to establish whether they have made a difference.

4. “This is Me”
   - Dementia Champions will advocate the use of “This is Me” and the valuable information it contains when used effectively in care settings.
   - Dementia Champions are pro-active in establishing whether a person has a completed “This is Me”. If not the person will be offered one.

5. IDEAS Training within the Acute General Hospital (Intervention for Dementia: Education, Assessment and Support)
   - We have implemented a six month programme of workforce training in line with the Promoting Excellence Framework.
   - Training across Dumfries and Galloway Royal Infirmary commenced October 2014 and will run until the end of March 2015.
   - Outcomes of the IDEAS training project will be evaluated and measured at the end of March 2015 when a project report will be available.
