**Brief one-hour revalidation event**

With busy diaries and not much time to get away from work, NMHAPs undertaking revalidation can now attend a brief event lasting only one hour and covering the areas that matter most; how do I go about it? what support is out there for me? where do I get the information I need?.

Knowledge Services have managed to put together a range of key speakers and support organisations into this one-hour event, offering a programme that provides answers to these questions and more.

Knowledge Services will also showcase the different services they provide to support staff undertaking revalidation such as sessions on basic IT and searching skills, reflective practice, and one-to-one / group training sessions tailored to specific needs. Knowledge Services aim to support the revalidation process as much as possible and have also recently launched a newsletter which focuses on NMC revalidation only (available at all library sites and on FirstPort).

The details of the event are: Wednesday 30th November (registration from 10am / presentations at 10.30am), Wishaw General Hospital (lecture theatre).

If you are interested in attending this brief one-hour event on NMC revalidation, please call 01698 336 316 or email libraries@lanarkshire.scot.nhs.uk

**New group and 1-2-1 sessions available**

New sessions are now available to all staff undertaking NMC revalidation, including Reflective Practice (Tue 22nd Nov @ 12pm OR Wed 23rd Nov @ 12pm), Searching Skills (Tue 1st Nov @ 5.30pm OR Mon 28th Nov @ 12pm) and Basic IT Skills (Thu 17th Nov @ 5.30pm). They all last one hour and should be booked at least 24hrs in advance (location: Wishaw General Hospital, IT Room – next to the library).

If interested, please call 01698 336 316 or email libraries@lanarkshire.scot.nhs.uk
